IBP: We love you JM.

EF to collate show feedback soon.

AR to send audition feedback.

Songs for a New World:

PR: KH's going to do the feedback - he's working on it.

BM: Leg armpits.

KH to come and present show feedback.

Made in Dagenham:

PR: We did a bowling social thing which was successful. We have 14 freshers audition for spring show so that retention rate is high! Big up everyone there. We've sorted some of the costumes and props sorted which is cool. The banner for our show is going into the Hound of the Baskervilles programme as well.

MID to continue with the show process.

I Love You Because:

MS: We went to the bowling social too and had fun. Scripts are printed now. We have a schedule and things are going well. We sent out our audition feedback today.

Show and prod liaison to be elected next week.

Be More Chill:

BM: CT really needs help on the desk for Be More Chill at least from 10-12 on Saturday.

Any other time would be great but that's the most important time.

HM: I said I could do it but I can't do the last half an hour.

EF: I can do that then.

HM: I'll do 10-11:30.

EF: I'll do 11:30-12.

MS: I will get in touch with her about any other time.

PR: If you think you can do another time then just get in touch with CT because she needs to be at Dagenham rehearsals because we're doing a lot of blocking.

Committee to help cover the desk on Saturday for CT (specifically HM 10-11:30 and EF 11:30-12).

Treasurer:

MS: Natwest hasn't dropped yet so I'll get in touch.

PR: There's plastic in your (IBP) squashie.

MS: I'm giving back TG their loan. We're waiting on comedy to sort out Edinburgh. We've got lots of money coming in which is good.

PR: This pretzel tastes fruity.

IBP: It's probably just your mouth.

PR: I did just have a drumstick.

MS to sort out Edinburgh money.

MS to send TG loan back.

Social Secretaries:

WF: We did the bowling social which was good. We have the PA halloween social next week - our theme is Horrible Histories. Les Mis is booked and I received a message from LopSoc asking whether we wanted to do an integrated social. We're seeing Hound of the Baskervilles next week.

IBP: Can you do a 'see' event for my fight.

BM: Yes, just send us the details.

BM and WF make a 'Showstoppers see' event for IBP's fight.

Development Officers:

IBP: Cabaret's in the annex and I have a christmas tree to decorate it with.

BM: Can we have a workshop before cabaret to dress the annex?

IBP: Yes. Also I was thinking of having a post Cabaret soiree at mine and then go to the Edge. We've got workshops planned.

HM: We're planning to do the 'send me your backing tracks' again soon for Cabaret. I'll do it again.

IBP: I'll make the form.

HM: On 1st November I'll ask you to give me your sh*tty backings.

IBP and HM to sort out more workshops and backing tracks for Cabaret.

Web and Promotions Officer:

No update.

Tours Officer:

PR: ME is going to send the new Legally Blonde video to me soon so we're going to have that social in the near future.

Original Writing Update:

SC: We did a workshop.

IBP: I wrote a monologue from it.

OJ: Yeah..... Well I wrote an entire play.

PR: Well I wrote a play and realised I'd actually just written Macbeth.

EF: Where's Agatha Christie the musical OJ?

OJ: Soon EF.... soon.

IBP: Are you happy to do another one next week?

SC: Yep. I'll update the original writing group soon.
